Uniform System Of Accounts For The Lodging Industry (USALI)

Tenth Edition - Major Changes
The Financial Management Committee of the American Hotel and Lodging Association (AH&LA), in conjunction with the Hospitality Financial News and Technology Professionals (HF&TP), published the tenth edition of the Uniform System of Accounts for the Lodging Industry (USALI) in the BUSINESS Fall of 2006. The first edition of the USALI was published in 1956 by the Hotel Association of New York City.

The purpose of the first USALI was to establish a uniform responsibility accounting system for the lodging industry.

Changes were made by the AH&LA and HF&TP in order to keep pace with the evolving business environment (i.e. condo hotels, internet wholesales, resort fees), as well as provide clarification to ambiguous guidance found in the ninth edition (i.e. allowances, attrition and cancellation fees, definition of available rooms).

For the benefit of lodging industry participants, the Financial Management Committee has prepared the following pages that highlight the major changes found in the tenth edition of the USALI. These first appeared in Lodging magazine and The Bottom-Line. Reprint permission was received from both publications.

ROOMS DEPARTMENT

- Group Rooms Revenue is defined as revenue derived from renting blocks of 10 rooms or more.
- Contract Rooms Revenue is defined as revenue derived from a contract with another entity for a consistent block of rooms for an extended period over 30 days.

• Available Rooms is defined as all rooms in the hotel that are used for guest overnight occupancy. The count of available rooms will not be reduced unless a room is out of order for a minimum of six consecutive months due to a non-discretionary event (i.e. fire, hurricane, etc...), or an entire rooms department is completely closed for a minimum of 30 days.

• Complimentary Rooms is defined as a free room provided to a guest often for marketing purposes and not linked to existing contractual relationships (i.e. fourth room night free).

• Group Attrition is recorded in Rentals and Other Income.

• Revenue generated through an intermediary (i.e. wholesaler, dot.com wholesaler) is recorded at the net rate billed to the wholesaler.

• Resort Fees are allocated to other departments based on the value of the components included in the fee.

FOOD AND BEVERAGE DEPARTMENT

- Food and Beverage Department revenues will be combined and shown as one revenue line item on the summary operating statement and the statement of income.
